ABOUT LARAMIE PEAK HUMANE SOCIETY

OUR MISSION: *At the Laramie Peak Humane Society our mission is to protect, care for and provide for the reasonable and humane disposition of unwanted or stray dogs, cats and other animals, assist care givers and owners of dogs, cats and other animals in protecting, caring for and treating animals in a compassionate and humane manner.*

WHO WE ARE

The Laramie Peak Humane Society is an independent nonprofit organization 501c3 with no affiliation to national animal welfare organizations or government agencies. Our work is funded by city and county service provider contracts, private donations, special events, adoption and program fees, and merchandise sales.

Laramie Peak Humane Society is committed to the health and welfare of all animals, and the active pursuit of a loving forever home for every set of paws that enters our care.

Hundreds of displaced animals come through our door each year, and rehoming them takes a lot of time, resources, rehabilitation and veterinary care.

Through the support of sponsors like YOU, the community of Converse County and surrounding areas, our dedicated staff and our terrific volunteer base, we are able to provide a safe temporary home for displaced animals in our community.

OUR VALUE

As the only animal shelter in Converse County and much of the surrounding area, Laramie Peak Humane Society provides a critical safety net for thousands of animals in Wyoming.

MORE THAN A SHELTER. In addition to sheltering displaced pets, we offer a number of programs and services to educate, inform, and inspire people to take responsible care of their pets and to treat them with the kindness they deserve.

Here are just a few ways we serve your community:

- City & County Impound - Lost & Displaced Pets
- Trap Neuter & Return (TNR) - Community Cat Program
- Community Microchipping - Loss Prevention & Reunification
- Income based Spay & Neuter Voucher Program
- Community Pet Surrender & Adoption Center
- Open Paw Training & Resource Services
